Location: Piper Middle School

Ages: Completed 1st-6th grade

Sponsored by

**PARKWAY**  
BAPTIST CHURCH

Loving God...Loving People - Matt.23:37-39

123rd & Parallel Parkway, KCK

Experiments, Live Demonstrations  
from scientists, Rocket Launch, Games

Kids will learn about Bernoulli's Principle, Pascal's Law, Newton's first law of motion, and others. Using practical and simple experiments children will discover the complexity and beauty of God's creation while having fun. If your children love science and like doing hands on experiments then this camp is for them. Activities will meet several requirements of the Cub Scout Science belt loop and Webelos Science pin. To register print off registration form and mail form with registration fee to Parkway Baptist Church, 12320 Parallel Parkway, Kansas City, KS 66109. Save \$10 by registering before by July 1st. For more information call 721-1546 and leave contact info.
